

Along the Caribbean Sea coastline there lies hundreds of off-shore cayes, and the Belize Barrier Reef, the waters of Belize are a unique treasure in the sailing world. Whether on a private vessel making port, or arriving by way of air or land and looking to charter, Belize has dependable facilities and numerous tour operators ready to meet your cruising needs.

Belize provides a thrilling challenge for those sailors who consider themselves experts. Stiff winds, strong currents and the Barrier Reef with its hidden coral heads can make navigation tricky. However, for those who are looking exactly for those elements, bareboat and crewed charters are available in Belize City, the cayes and Placencia.
